STATEMENT OF COMMITMENT TO CHILD SAFETY AND CHILD SAFETY PRINCIPLES

Braybrook College is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

We have no tolerance for child abuse and take proactive steps to identify and manage any risks of harm to students in our school environments.

We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students (especially those living in homestays), students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful

behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

STANDARD 1: ESTABLISHING A CULTURALLY SAFE ENVIRONMENT

At Braybrook College, we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected.

We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

- Begin events and meetings with a Welcome to Country
- Fly the Aboriginal and Torres Strait Islander flags
- Make Aboriginal voice part of decision making in matters that affect Aboriginal students
- Celebrate the local Aboriginal community in communications with students, staff, volunteers, and families
- Share information through school newsletters, school assemblies, parent information nights
- Promote safety and inclusion for all Aboriginal students and their families
- Learn more about Aboriginal histories and cultures, both locally and across Australia
- Speak with respect and confidence about Aboriginal culture, knowledge systems and people
- Build school wide knowledge of Aboriginal histories, cultures, perspectives, values, skills, and attitudes
- Acknowledge and draw on the existing knowledge of Aboriginal students and their families
- Ask for feedback from Aboriginal students and their families about what the school does well, and what can be improved
- Address racism from students, staff, volunteers, or visitors directly
- Discuss racism and work to address unconscious bias and racism in the school community
- Guide and train staff and volunteers to understand the importance of Aboriginal culture to the wellbeing and safety of Aboriginal students
- Build knowledge of Aboriginal culture in school planning and curriculum.

STANDARD 2: LEADERSHIP, GOVERNANCE AND CULTURE/ROLES & RESPONSIBILITIES

School leadership team

Our school leadership team (comprising the Principal, Assistant Principals and Leading Teachers) is responsible for ensuring that a strong child safe culture is created and maintained, and that policies and practices are effectively developed and implemented in accordance with Ministerial Order 1359.

Principal Class Officers and Leading Teachers will:

- ensure effective child safety and wellbeing governance, policies, procedures, codes and practices are in place and followed

- facilitate regular professional learning for staff and volunteers (where appropriate) to build deeper understandings of child safety, cultural safety, student wellbeing and prevention of responding to abuse
- create an environment where child safety complaints and concerns are readily raised, and no one is discouraged from reporting an allegation of child abuse to relevant authorities.

School staff and volunteers

All staff and volunteers will:

- champion and promote a child safe culture with the broader school community

- when hiring school council employees, ensure that selection, supervision, and management practices are child safe. At our school, school council employment duties are delegated to the Principal who is bound by this policy.

Specific staff child safety responsibilities

Braybrook College has nominated a **Child Safety Champion (the Wellbeing Coordinator)** to support the Principal to implement our child safety policies and practices, including staff and volunteer training.

The responsibilities of the Child Safety Champion are outlined at [Guidance for child safety champions](#). (Appendix 4). In addition to these roles, our Child Safety Champion is also responsible for:

- Promoting Child Safety and Wellbeing at staff and parent meetings, through newsletters and staff notices
- Ensuring the school's Child Safety policies and procedures are current and fit for purpose, are publicly accessible, and are known and implemented
- Promoting a culture of listening to students and families and acting on their child safety concerns

Our Principal and Child Safety Champion are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

- As the Wellbeing Coordinator is responsible for monitoring the school's compliance with the Child Safety and Wellbeing Policy, anyone in our school community should approach the Wellbeing Coordinator if they have any concerns about the school's compliance with the Child Safety and Wellbeing Policy
- the Wellbeing Coordinator is responsible for informing the school community about this policy, and making it publicly available
- Other specific roles and responsibilities are named in other child safety policies and procedures, including the Child Safety Code of Conduct, Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures, and Child Safety Risk Register.

Our school has a Wellbeing Team and a Student Reference Group on child safety. The Wellbeing Team meet regularly to identify and respond to any ongoing matters related to child safety and wellbeing. The Student Reference Group, within the Student Representative Council (SRC), provides an opportunity for students to provide input into school strategies.

Our Wellbeing Coordinator and Principal monitor the Child Safety Risk Register.

CHILD SAFETY CODE OF CONDUCT

Our Child Safety Code of Conduct (Appendix 2) sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct also includes processes to report inappropriate behaviour.

STANDARD 3: STUDENT EMPOWERMENT

To support child safety and wellbeing at Braybrook College, school staff work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through for example, implementing our whole school approach to Respectful Relationships, our student Code of Conduct and our school values. Informed consent is also taught within this program and is imbedded in the curriculum.

We inform students of their rights through our whole school approach to Respectful Relationships and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students also have the opportunity to join the Student Representative Council where they can voice and share their ideas around the school's approach to Child Safety and Wellbeing. Students and families can also access information on how to report concerns at the General Office.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

We:

- Inform students about their rights, including their rights to safety, information and participation
- Recognise the importance of friendships and encourage support from peers, to help students feel safe and be more connected
- Ensure staff and volunteers:
 - are attuned to signs of harm. (Department of Education training)
 - facilitate child-friendly ways for students to express their views, participate in decision-making and raise their concerns
- Develop a culture that encourages participation and responds to what students say
- Give students opportunities to participate and respond to their contributions to strengthen confidence and engagement
- Offer students access to sexual abuse prevention programs and related, age-appropriate information
- Develop curriculum planning documents or other documentation that details how the school will address these requirements.

STANDARD 4: FAMILY ENGAGEMENT

Our families (including homestay providers) and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns.

To support family engagement, at Braybrook College we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.

We will create opportunities for families to have input into the development and review of our child safety policies and practices and encourage them to raise any concerns and ideas for improvement.

We do this by:

- Seeking input from families and the community – for example, through the Compass Parent Portal, School Website, newsletters, other communications, School Council, Subcommittees of School Council, student, staff, and parent meetings etc.
- Providing all our Child Safety Policies and procedures on our College Website: www.braybrooksc.vic.edu.au (See 'School Policies' tab under 'About Braybrook').

- Updating Newsletters and Compass to inform families and the school community about any significant updates to our Child Safety Policies or processes, and strategies or initiatives that we are taking to ensure student safety.
- Displaying PROTECT Child Safety posters across the school and on our website.

STANDARD 5: DIVERSITY AND EQUITY

As a child safe organisation, we celebrate the rich diversity of our students, families and community and promote respectful environments that are free from discrimination. Our focus is on wellbeing and growth for all.

We recognise that every child has unique skills, strengths and experiences to draw on.

We pay particular attention to individuals and groups of children and young people in our community with additional and specific needs. This includes tailoring our child safety strategies and supports to the needs of:

- Aboriginal children and young people
- children from culturally and linguistically diverse backgrounds
- children and young people with disabilities
- children unable to live at home or impacted by family violence

 - proof of the person's identity and any professional or other qualifications
 - the person's history of working with children

- any other child safety and wellbeing information that school leadership considers appropriate to the nature of the role.

3. Ongoing supervision and management of staff

All staff engaged in child-connected work will be supervised appropriately to ensure that their behaviour towards children is safe and appropriate.

Staff will be monitored and assessed to ensure their continuing suitability for child-connected work. This will be done through annual performance reviews as per the following policies on the Department's Policy and Advisory Library:

- [Performance and Development for Education Support Class Employees](#)
- [Performance and Development for Principal Class Employees](#)
- [Performance and Development for Teacher Class Employees](#)

Inappropriate behaviour towards children and young people will be managed swiftly and in accordance with our school and department policies and our legal obligations. Child safety and wellbeing will be paramount.

4. Suitability of volunteers

All volunteers are required to comply with our Volunteers Policy, which describes how we assess the suitability of prospective volunteers and outlines expectations in relation to child safety and wellbeing induction and training, and supervision and management.

STANDARD 7: COMPLAINTS AND REPORTING PROCESSES

Braybrook College fosters a culture that encourages staff, volunteers, students, parents, and the school community to raise concerns and complaints. This makes it more difficult for breaches of the code of conduct, misconduct or abuse to occur and remain hidden.

We have clear pathways for raising complaints and concerns and responding and this is documented in our school's Complaint Policy.

If there is an incident, disclosure, allegation or suspicion of child abuse, all staff and volunteers (including School Council employees and homestay providers) must follow our Child Safety Responding and Reporting Obligations Policy and Procedures (Appendix 6). Our policy and procedures address complaints and concerns of child abuse made by or in relation to a child or student, school staff, volunteers, contractors, service providers, visitors or any other person while connected to the school.

As soon as any immediate health and safety concerns are addressed, and relevant school staff have been informed, we will ensure our school follows:

- the [Four Critical Actions](#) (Appendix 3) for complaints and concerns relating to adult behaviour towards a child
- the [Four Critical Actions: Student Sexual Offending](#) for complaints and concerns relating to student sexual offending

Our Student Wellbeing and Engagement Policy and Bullying and Harassment Prevention Policy cover complaints and concerns relating to student physical violence or other harmful behaviours.

STANDARD 8: CHILD SAFETY KNOWLEDGE, SKILLS AND AWARENESS

Ongoing training and education are essential to ensuring that staff understand their roles and responsibilities and develop their capacity to effectively address child safety and wellbeing matters.

In addition to the child safety and wellbeing induction, our staff will participate in a range of training and professional learning to equip them with the skills and knowledge necessary to maintain a child safe environment.

Staff child safety and wellbeing training will be delivered at least annually and will include guidance on:

- our school's child safety and wellbeing policies, procedures, codes, and practices
- completing the [Protecting Children – Mandatory Reporting and Other Legal Obligations](#) online module annually
- recognising indicators of child harm including harm caused by other children, students and adults (including family violence)
- responding effectively to issues of child safety and wellbeing and supporting colleagues who disclose harm
- how to build culturally safe environments for children and students
- information sharing and recordkeeping obligations
- how to identify and mitigate child safety and wellbeing risks in the school environment.

Other professional learning and training on child safety and wellbeing, for example, training for our volunteers, will be tailored to specific roles and responsibilities and any identified or emerging needs or issues.

5. School council training and education

To ensure our school council is equipped with the knowledge required to make decisions in the best interests of student safety and wellbeing, and to identify and mitigate child safety and wellbeing risks in our school environment, the council is trained at least annually. Training includes guidance on:

- individual and collective obligations and responsibilities for implementing the Child Safe Standards and managing the risk of child abuse
- child safety and wellbeing risks in our school environment
- Braybrook College child safety and wellbeing policies, procedures, codes and practices

STANDARD 9: MANAGING RISKS TO CHILD SAFETY AND WELLBEING

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and

in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities, homestays and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Additionally, we provide a Child Safe Incident Report (Appendix 8) that should be used to respond to suspected child abuse. Our school Principal and Wellbeing Coordinator will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.
