GUIDELINES FOR SUPPLEMENTARY DRESS

UNIFORM & SUPPLEMENTARY DRESS POLICY

It is compulsory for all students to wear the college approved uniform each day and the uniform items worn must be in good condition to reflect a positive image to the wider community.

The College also has the right to determine the appropriateness of jewellery, make-up and hairstyles. The College has a conservative view in relation to these items and will request students to remove jewellery and make-up or to change extreme hairstyles.

It is expected that students will have sufficient uniform items to enable washing and unforeseen accidents to be accommodated without compromising the standards expected at the college.

The College Principal Class will make determinations in the following areas, as required.

JEWELLERY

- Students are permitted to wear a small amount of acceptable jewellery
- A pair of earrings is permitted only if they are small, of a conservative nature and do not pose any health and safety issues. For example, plain sleepers or small studs

FACIAL PIERCINGS

- Facial piercings are not recommended. Only one facial piercing, of a conservative nature will be allowed. **However, lip piercings are unacceptable due to health and safety issues**

MAKE-UP

- The wearing of make-up is not recommended and only minimal make-up should be visible
- Students will be required to remove excessive make-up.

HAIRSTYLES

FOOTWEAR

- Extreme hairstyles and colours are not permitted
- Students are required to wear all black leather school shoes or all black leather sports shoes
- Students are not permitted to wear open-toed shoes or shoes that could pose a safety risk such as ballet slippers, canvas shoes including Volleys
- Black leather boots are permitted but only if worn under long pants

Further clarification about uniform items and a price list, is provided on a separate sheet available at the College General Office.
