

Dear Parent(s) / Guardian(s),

As part of the Health and Physical Education program, all students in Year 7 and 9 are expected to purchase their own copy of “Jacaranda Health and Physical Education”, an online resource. The resource is valid for 2 years, and no additional purchase will be required in the following year.

In order to facilitate the purchase of this resource, a single payment of \$40 can be made through Compass or directly at the General Office by the end of Term 1.

As this is an essential resource required by all students undertaking studies in Health and Physical Education, your cooperation in fulfilling this requirement is greatly appreciated.

If you have any questions, please do not hesitate to contact us at:
